

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

We received a note this week from Gwen Rowland expressing a desire to have the following message passed along to the people of Hamlin.

Dear Hamlin, Texas,  
I would like to express my deep appreciation for the honor of being chosen your Homecoming Ex Queen.

The people of Hamlin shall always hold a special place in my heart.

Thank you,  
Gwen Rowland

Over the past few years there has been considerable talk about a new or better airport for Hamlin, but up to now that has been generated -- talk. We do not know at this time if any thing concrete is being done in this direction but we notice in a release from the Texas Aviation Commission that they will have \$One Million in funds available in the coming year to spend on airports in the state.

This is double what was available on a matching fund basis and is money that has been collected as a road tax on gasoline sold for aviation use.

During this past year Knox City received \$20,000, Paducah \$18,000 and Stamford \$18,000 from this fund.

In the release from the TAC, which was a reprint from the Fort Worth Star-Telegram, it was pointed out by the agency's chairman that a city or town, large or small, which lacks air transportation facilities today is in just as bad shape as towns in the last century that found themselves without railroads.

Others over the state have expressed the same opinion and the Star-Telegram story quoted Fred Calhoun, president of the Jacksboro Chamber of Commerce, whose town just completed a new, paved, lighted runway.

Calhoun, according to the story admits there was quite a bit of "street corner" protest about the city spending money for an airport rather than on street paving," said Calhoun.

But, he continued, the amount spent on the airport wouldn't have paved very many blocks of streets.

"We've had a number of inquiries from companies interested in locating plants here and in every case one of the requirements is that we have an airport capable of handling small private planes used by company executives. By getting this industry we could get enough new tax revenue to pave the streets," Calhoun said.

One of the biggest obstacles facing a better airport for Hamlin is a location. The present location is in the middle of a lot of land that does not have a clear title and probably is not worth the trouble that it would take to straighten it out.

We realize that not only will it require a lot of work on the part of some interested people for us to have a good all-weather airport, but it will also take some tax money. And this, too, is a problem because of the many demands on public money.

But we believe that any money spent in this direction now will bring a much larger return in the years to come.

A telephone call last week from a lady that lives near the primary school pointed out the danger of rattlesnakes. A dead snake was found across the street from the primary school. A rattlesnake with seven rattles was also killed Monday at Lee Hastings Service Station. Parents should talk to their children and tell them to be very cautious about snakes at this time of year.

ASHER RUNS FOR 18 -- Quarterback James Asher rolls out around his left end for 18 yards in the final quarter against Cisco Friday night. This was the big gainer in the Pipers last drive to overcome the one-point Cisco lead but failed when the Pipers fumbled on the Lobo 8. (Tim Jones Photo)

## Drive On Unlicensed Drivers Started Here With Spot Checks

The Hamlin Police Department has received numerous complaints recently about teenagers driving without operator's licenses. As a result of these complaints, routine driver's license checks will be made by the Police Department, says the Police Chief, Bryan Wasson.

He also pointed out the points of law concerning driving without a license or allowing an unlicensed minor to operate a motor vehicle.

First offense driving without operator's license is punishable by a fine of not less than \$200. Second offense is punishable by a fine not less than \$25 nor more than \$200. Third offense is punishable by a fine of not less than \$25 nor more than \$500 or by imprisonment in the County Jail for not less than 72 hours.

### Practice Session For Punt, Pass, Kick Set Saturday

A practice session in preparation for the forthcoming Punt, Pass and Kick Competition sponsored by the Ford Motor Company will be held Saturday at 9 a.m. at the football field.

Jimmy Hale, chairman, said the boys could practice on the various phases of the contest at this time.

The PPK contest will be held at Piper Stadium Saturday, Oct. 12 at 9 a.m. The boys, accompanied by a parent, are to register at Connally Ford Sales by Oct. 11, said the chairman.

## Selection of Surplus Commodities Expanded to 26 Different Items

Those who depend upon surplus commodities for much of their food now have a greatly expanded selection with the distribution center at Anson stocking 26 different items.

Because of the enlarged list, a county truck now makes trips to the Brownwood storage point three times a month.

The number receiving these food products is at a low point in the county. Certified for this year are 1200 persons but the number of persons actually getting the food is well below 1,000.

Any family which is listed on the Old Age Assistance roll automatically qualifies for the food although all of them do not participate. There are about 800 on the roll at the present time.

Qualifications to obtain the food are set out by the federal government and application is made at the Public Welfare of-

nor more than six months or by both such fine and imprisonment.

A separate law makes it a misdemeanor to permit an unlicensed minor to operate a motor vehicle and is punishable by a fine of not less than \$200. This law will apply to parents who permit minor children to drive, the Chief said.

Operator's licenses will not be issued to any person under 18 years of age with the following exceptions:

A license may be issued to

### Gil Lain Gives Rotary Club Program Sept. 25

Gil Lain, Hamlin High School Senior, spoke to the Hamlin Rotary Club last Wednesday on Americanism. He challenged each Rotarian to participate in the affairs of the community and nation, stressing Christianity and service.

He asked the question, "Who wants to be an average man?" He said that if a man participates, he cannot help being more than an average person, and all should be more than average.

He also pointed out democracy is not a spectator's sport. It is something in which everyone may take part and it is for every American.

He noted that some are identified as just flag wavers when they take part in local and national affairs, but, he concluded, "We, as Americans are not waving our flag nearly enough."

a person 16 years of age who has passed a driver education course. An instruction permit may be issued to a 15 year old who has passed the classroom phase of an approved driver education course and passed all parts of the driver examination other than the driving test. This permit will restrict the individual to being accompanied by a licensed driver in the front seat who is at least 21 years old.

Emergency license may be issued at age 15 only under the following conditions:

1. Failure to issue the license will work an economic hardship on the family.
2. It appears a license should be issued because of sickness in the family.
3. Failure to issue the license would be detrimental to the general welfare of the applicant or his family.

Only the Department of Public Safety has the authority to determine that an emergency exists under one of these three conditions.

DPS Patrolman Cagle is at the Fire Station every Wednesday from 9 a.m. to 5 p.m. Chief Wasson said he is available to answer any question concerning driver's license.

### Mrs. Myers, 80, Dies At Home Monday Afternoon

Mrs. Minnie Maud Myers, 80, a resident of Stonewall County for 62 years before moving to Hamlin, died Monday at 2 p.m. at her home at 133 S. W. Ave. D.

Graveside services were held Tuesday at 2 p.m. in Oriana Cemetery by Rev. Marshall Stewart, pastor of the Church of the Nazarene of Hamlin.

Born Oct. 29, 1887, in Hico in Hamilton County, she was the daughter of the late Mr. and Mrs. J. K. McMickin. She was married to Charles M. Myers at Double Mountain in 1905. He died in 1950.

She was a member of the Full Gospel Church.

Survivors include three sons, Alvie of Oakland, Calif., Milton of Korea, Earl of San Francisco, Calif.; seven daughters, Mmes. Roy (Ruby) Rose of Alaska, Lee (Crystal) Hopper of Hamlin, Sam (Pearl) Terrell, A. L. (Billie) Sprayberry, Frank (Velma) Smith, Erwin (Ruth) Olson, all of California and Buck (Thelma) Childress of Oklahoma; one sister, Mrs. Emma Drago of Loving; 18 grandchildren and 18 great-grandchildren. Seven brothers are deceased.

Mrs. Floyd Smith and Ann Hall, both of Spokane, Wash., are visiting with Mrs. Wood Smith and family.

## Pipers to Open District Play Friday With Merkel

The Pied Pipers will be trying to rebound from their 7-5 loss to Cisco last week when they open District 7-AA action here Friday night with the Merkel Badgers. Both teams will be carrying a 2-1 record into the contest as the Badgers fell to Aspermont last week, 24-14.

The football players and their fathers will be honored before the start of the game as Friday has been set aside as Dad's Night.

Coach Joe Youngblood told the Piper Boosters Monday

night that we were not ready for Cisco and that the game should have helped us. He added that you can not fumble three times and expect to win.

Coach Youngblood said that the moral of the team was good in the Monday workouts and that they were ready to play Merkel.

He also announced some changes will be made in the starting lineup for this week's contest with the principal one being the change of Charlie Shira to Quarterback and James Asher to End.

The Pipers came out of the Cisco game in pretty good physical shape with the exception of Jerry Braley who injured a knee.

Probable starters on offense for the Pipers will be Asher and Ernest Ledbetter at end, Bill Hodnett and Mike Young at tackle, Bill Johnson and Gil Lain at guard, Ronnie Nelson at center, Shira at quarterback, Donnie Smith at fullback, Gary Smith at halfback and Robert Bolden at tailback.

Scouting reports indicate that the Badgers have a stronger team than was indicated early in the season as they own two wins and led Aspermont 14-0 at halftime.

The Badgers operate from

### County Judge Leon Thurman To Give Program

The Hamlin Elementary Parent-Teachers Association will meet at 4 p.m. today (Thursday) at the primary cafeteria.

The third grade will present the entertainment, a play. Leon Thurman, Jones County Judge, will be the speaker.

Mrs. Bill Davis, president, will preside and also give the thought for the month. Presentations will be made to those who participated in the September membership drive.

### Change Made In JV Schedule

Change in the Junior Varsity schedule has been announced by head Coach Joe Youngblood.

The game with Abilene Junior Varsity will be played here Oct. 17, Thursday, at 7 p.m.

GOES FOR THE LONG ONE -- Quarterback James Asher rolls out to his left and gets off a long pass just before the two Lobos hit him. But the effort was in vain as the pass fell incomplete. (Tim Jones Photo)

### Rotary Club To Sponsor Two To New Zealand

The Hamlin Rotary Club will sponsor two young Hamlin men, John Ferguson and Dwight Griggs, to a two-month all expense paid group study exchange program to New Zealand.

Rotary District 579 will be allowed six young men to represent this district. The program requires that an individual be between the ages of 25 and 35, that he not be a Rotarian, nor the son of a Rotarian. He must be free to be away for a period of approximately two months.

The two will leave Love 1969, arriving in the Fiji Field, Dallas, about Feb. 1, Islands on Feb. 3. Departure from New Zealand will be Apr. 13, with arrival at Love Field in Dallas about Apr. 15.

### Longtime Hamlin Resident, A. F. Dixon Dies Here

A. F. (Andy) Dixon, 92, a resident of Hamlin for 66 years, died at 3 a.m. Tuesday at Holiday Lodge nursing home. He had been ill for three months.

Services were held Wednesday at 2 p.m. in First Baptist Church with the pastor, Rev. Max Brown, officiating. Burial was in Hamlin East Cemetery.

Born Sept. 28, 1876, in Johnson County, he was the son of the late Mr. and Mrs. William Dixon.

He married Carrie Helen McClaren in Hamlin in 1904. He was a retired farmer and a member of First Baptist Church.

Survivors include his wife, Carrie, one son, Bernard of Fort Worth; and a daughter, Mrs. Kenneth W. (Adele) Kerbow of Amarillo.

Pallbearers were Pete Bond, Kenneth Parker, Bill Rountree, Henry Jackson, Cecil Brown and Jack Robbins.

### Junior Varsity To Play Anson There Tonight

The Hamlin Junior Varsity will travel to Anson tonight (Thursday) to meet the Tiger Junior Varsity in a game starting at 7:30.

The local junior varsity lost to the Roby Varsity Saturday night, 28-14, in a game played at Roby. Scoring for the Hamlin juniors were Earl Webb on a four-yard run and Shelton Marshall on a 80-yard kickoff return. Webb had a 95-yard touchdown run called back because of a penalty.

### C. W. Sample Due Home from Vietnam Today

C. W. Sample, son of Mrs. Rosie Johnson, is on his way home on leave following an injury received in Vietnam during the summer. He is due to arrive here today (Thursday).

He has called home since arriving in the States. After leave he will return to Ft. Sill, Okla.

He told his mother that he had received many cards from friends here and really appreciated them.

Christmas is only 3 3/4 books away.

That's all the books of S&H Green Stamps you need to get this Anscomatic Cadet camera. It's not only easy to own, it's easy to use. No complicated dials or focussing procedures. All you do is pop in the cartridge and shoot. Makes a great gift for beginning photographers. Just shop with us and fill your S&H books faster. Shop at all the stores and service stations that give S&H Green Stamps, and you'll have lots of extra gifts by Christmas.

S&H Green Stamps — our Christmas gift to you.

FAVORITE RECIPES—

MONKEY BREAD

The following recipe has become a real favorite at the Bob Craig home. It is being used this week to see if a regular feature of this type will be popular with the readers. Favorite recipes of our readers are also requested.

MONKEY BREAD

PUT 1 cup All-Bran, 3-4 c. shortening, 1/2 c. sugar (minus 1 T.) into large bowl.

POUR 1 c. boiling water over mixture. Stir until shortening is melted. Let stand until lukewarm.

DISSOLVE 2 pkgs. dry yeast in 1 c. warm water along with 1 T. sugar.

BEAT 2 eggs well, add 2 t. salt. Fold beaten eggs into All-Bran mixture. Then add yeast mixture. Blend well with mixer using low speed.

GRADUALLY add 3 c. flour and beat well with mixer. Add 3 1/2 c. more flour, mixing by hand.

TURN OUT about half the dough on lightly floured board and knead lightly until smooth (about 1 min.). Roll out to 1-4 in. thickness. Cut in 2 in. diamond-shaped strips with sharp knife or a pizza cutter is good for this.

DIP each strip in warm melted margarine (melt 1 stick) and let drain a moment. Stack strips in ring mold or tube cake pan, filling not more than half full.

(Do not use pan with removable stem. A bundt pan or small loaf bread pans may be used). Makes 2 large loaves or several small loaves.

COVER and let rise in warm place (80-85 degrees) for 1 1/2 hours. Preheat oven and bake at 300 degrees for 10 min. Then raise temperature to 400 degrees and bake about 15 min. more until golden brown. Remaining dough may be kept in refrigerator. Dough may also be prepared in pans and placed in refrigerator. Take from refrigerator about 3 to 3 1/2 hours before baking — depending upon room temperature. Dough should rise until double in bulk.

Serve hot. Pull apart to serve. Loaves freeze nicely. Reheat in foil before serving. Note: Do you have a favorite recipe you would like to share with our readers? If so, please bring or send it to the Herald office.

Weekend guests in the home of Mr. and Mrs. Bob Craig were her sister-in-law, Mrs. E. D. Fincher and sons, Mike and Mitch, of Abilene.

Mr. and Mrs. Joe Simpson and Carol Joe, and Mr. and Mrs. Charles Absher and girls went to HemisFair during the weekend.

'Out of This World' Theme for Beta Theta Rush Party

"Out of this World" was the theme used by Beta Theta Chapter of Beta Sigma Phi sorority at the annual rush party held Thursday night in the home of Mrs. Tim Jones.

A supper of fried chicken was served between rockets under the stars. Each member was dressed in space attire.

Special guests were ploges, Mrs. Johnnie Jeffrey and Mrs. Ted Seay.

Others present were Mmes. Leldon Clifton, Mack Sellers, Cecil Sellers, James Harrison, James Wright, Earnie Reusch, Bob McKissack, Guy Weaver, and L. C. Bonds.

Mrs. Bigham Hosts Homemakers Class Saturday

The Homemakers Sunday School Class of First Baptist Church met Saturday in the home of Mrs. Buford Bigham for the monthly class meeting. Mrs. S. C. Ferguson Jr. was co-hostess.

Refreshments of cake, coffee and Coke were served.

Others present were Mmes. Marvin Carlton, V. M. Wallace, Johnny Steele, Joe W. Carter, Clyde Lewis, Herman Shauer and the teacher, Mrs. Leldon Clifton. Joe Bob Carter was a guest.

Mrs. M. L. Haight Hosts Ruth Class Tuesday Afternoon

Ruth Sunday School Class of Central Avenue Baptist Church met in the home of Mrs. M. L. Haight Tuesday afternoon. Mrs. E. B. Hopper presided.

Mrs. Ben Wilcox led the Class song and gave the scripture, 1 Cor. 3-9.

Mrs. Phillips gave the opening prayer. Mrs. V. Madden gave the Bible quiz. Mrs. E. V. Chastain presented the devotional on the 14th chapter of John.

Refreshments were served and secret pal gifts were exchanged.

Others present were Mmes. F. T. Wallace, T. H. Mason, Henry Plemons, Sid Clay, Bill Stewart, Eual King, Barnie Smith, and M. L. Putnam.

Class of 1967 Gives Money to Charity

Robert Moore, the president of the Class of 1967 of Hamlin High School, and Larry McCoy, vice president, headed a committee that decided during Homecoming to disperse the remaining funds of that Class.

The decision was made to donate \$301.04 to the Cattleman's Roundup for Crippled Children and \$301.03 to the American Cancer Society.

HOSPITAL PATIENTS

Mrs. B. L. Smith, Mrs. W. J. Austin, Mr. R. E. Gilbreath, Mrs. Clifford Kolb, Mrs. J. L. Kennedy, Mrs. Olen Frances, Mrs. J. Gholsen, Mrs. Ira Green, Mrs. O. H. Weaver, Homer Raney, J. W. Patterson, W. H. Murphree, Wilson Hagins, Mrs. R. B. Boyd, Mrs. B. E. Jones, Mrs. Joe Rushing, Mrs. Beatrice Kemp.

The Agriculture Department has predicted the production of turkeys down 16 per cent from 1967. The department had asked producers to reduce the turkey output to help head off severe market price declines.

Medicare Deductible to Increase \$4 After First of Year, Now \$40

Beginning in January, an older person who goes to the hospital under Medicare will be responsible for the first \$44.00 of his hospital bill - now running about 600.00 for the average hospital stay by a Medicare beneficiary. R. R. Tuley, Jr., Abilene Social Security District Manager said. The \$4.00 increase (from the present \$40.00 deductible) results from a provision in the law requiring an annual review of the deductible amount. The first such review the law provided was to be made in 1968.

The law specifies that if this annual review shows that hospital costs have changed significantly, the hospital deductible amount must be adjusted for the following year. Necessary increases in the deductible amount must be made in \$4.00 steps to avoid small annual changes.

Following the formula in the law, and figuring the ratio of inpatient hospital costs under Medicare in 1966 with these in 1967, the deductible amount for 1969 worked out to \$45.36. Rounded to the nearest multiple of \$4.00, this will make the deductible \$44.00 for 1969.

The results of the annual review of the inpatient hospital deductible also apply to the dollar amounts a Medicare beneficiary pays toward a hospital stay of more than 60 days, or a posthospital extended care stay of more than 20 days.

These amounts therefore will also increase by 10 percent, effective January 1 — to \$11.00 a day for the 61st through the 90th day of a hospital stay; to \$5.50 for the 20th to the 100th day of a stay in a posthospital extended care facility; and to \$22.00 a day for each day of the lifetime reserve of 60 days, the reserve account a beneficiary can draw upon if he ever needs more than 90 days of hospital care in the same

benefit period. The changes in these amounts apply only to the hospital insurance part of Medicare and do not affect the financing of the supplementary medical insurance — the voluntary program which covers doctor bills and a wide variety of other medical services.

Mrs. McCanlies On Honor List

STEPHENVILLE, — Mrs. Darla McCanlies, a freshman at Tarleton State College from Hamlin has been named to the Distinguished Student List for the Spring Semester, 1968. Mrs. McCanlies is an elementary education major at Tarleton.

To be eligible for this list, a student must have a grade average of 2.25 out of a possible 3.00, be carrying at least 15 hours, and have no grade below "C".

Mrs. McCanlies is the daughter of Mr. and Mrs. Alton E. Harkley of 1810 Alamo in Pecos. Mrs. McCanlies is a 1961 graduate of Hamlin High School.

The United States has canceled current cultural exchange visits with Poland. The announcement said neither country will be allowed exchanges due to Poland's participation in the invasion of Czechoslovakia.

Frozen Food Lockers — Processing Service  
Meat at Wholesale At HAMLIN ICE & LOCKER Phone SP4-1821

FROZEN VEGETABLES BRIGHTEN PARTY MENU

Perfect accompaniment for a party roast is this colorful platter of frozen vegetables selected for pleasing variety in color, shape, flavor and texture. From left to right, the vegetables are: cut green beans, whole kernel corn, asparagus spears, artichoke hearts and whole baby carrots. Accompanying sauces are: Hollandaise Sauce, Chive Butter Sauce and Welsh Rarebit Sauce.

PARTY VEGETABLE PLATTER

- 1 package (9 ounces) frozen cut green beans
- 1 package (10 ounces) frozen whole kernel corn
- 1 package (10 ounces) frozen asparagus spears
- 1 package (9 ounces) frozen artichoke hearts
- 1 package (10 ounces) frozen whole baby carrots

Cook frozen vegetables in boiling salted water according to package directions. Drain and arrange in diagonal rows on a long narrow platter. Garnish with parsley, if desired. Accompany with one or more of the following sauces.

Makes 10 to 12 servings.  
**Welsh Rarebit Sauce:** Heat 2 packages (10 ounces each) frozen Welsh rarebit according to package directions. Serve hot over cooked vegetables. Makes enough for 6 to 8 servings.

**Seasoned Butter Sauce:** Melt 2 sticks (1/2 cup) butter or margarine. Add to taste one or more of the following: frozen chives, shredded Parmesan cheese, frozen lemon juice, sautéed frozen mushrooms (sliced or chopped), celery seed, curry powder, prepared mustard, Worcestershire sauce. Serve hot over cooked vegetables. Makes 8 to 10 servings.

**Hollandaise Sauce:** Use convenient prepared Hollandaise sauce available in jars or make your own as follows:

In top of double boiler, combine 2 egg yolks, 1 tablespoon lemon juice, 1/2 teaspoon salt

and a dash of cayenne pepper. Mix well. Place over hot (not boiling) water and beat with a wire whisk until mixture thickens slightly. Remove from heat.

Add 1/2 cup (1 stick) butter or margarine, about a sixth at a time, whipping constantly and allowing each bit to melt before adding the next. Stir in 1 to 2 tablespoons lemon juice. If the sauce separates, add boiling water by the teaspoon, beating vigorously. When prepared in advance, cover closely with plastic wrap and set in bowl of warm water. Makes enough sauce for 6 to 8 vegetable servings.

Putting-you-firsts:

(A quick tour of some of the thoughtful new features the 1969 Chevrolets offer that other cars in Chevrolet's field don't.)

Headlight washers

You push the windshield washer knob and hold it, and your headlights come clean.

Fluid is diverted to two jet nozzles at each light lens. (Outer lights only on duals.)

The spray removes up to 80% of accumulated dirt.

The feature is standard on 1969 Corvettes. It comes with the hidden headlights available on Camaro, Caprice and Kingswood Estate Wagons. It is available on all other models except Corvair.

Heated glass

In a moment your rear window will self-defrost.

Because we've built onto it a network of tiny ceramic strips capable of heating the entire surface.

Fog and frost disappear quickly and quietly. You just flick a switch.

The heated rear window is available on the 1969 Caprice Coupe and Impala Custom Coupe.

Pushbutton tire chains

You press a button on the instrument panel and the rear tires get a shot of "liquid tire chain."

You spin your wheels once, wait a moment, and you're off — with traction you wouldn't believe possible on slick ice, or packed snow.

Available on all 1969 big Chevrolets.

Steering wheel lock

When you own a car as desirable as the 1969 Chevrolet, you don't take chances.

When you leave it, you lock it. Not just the doors.

You lock the ignition, steering wheel and transmission, too.

Our new lock on the steering column takes care of all that.

Standard on all 1969 Chevrolets, Chevelles, Chevy Novas, Camaros and Corvettes.

Power steering plus

The 1969 Caprice, Impala and Camaro are available with a new type of power steering.

Variable-ratio power steering.

What it does is give you faster steering with fewer turns of the wheel.

Variable-ratio power steering is particularly helpful in short, full turns.

And parking becomes unbelievably easy. You'll see.

Walk-in wagons

The tailgate swings open like a door on most of our 1969 station wagons.

Which in itself is no big deal.

But wait, there's more.

We've built a concealed step into the rear bumper.

You simply step up, over, and in.

(The way we build our wagons, you can do it without bumping your head, and without acrobatics.)

Walk into a wagon soon at your Chevrolet dealer's.

FROM THE FILES . . .

FIFTY - ONE YEARS AGO (October 5, 1917)

(Files for fifty years ago missing) Monday the charter for the local Federal Land Loan Association arrived. This means that the time is approaching for the members of the association to secure loans from the government.

Inspector of Lands, S. P. Smith was here a short while Monday on his way to Rotan where he was to inspect lands. Mr. Smith visited the lands around Hamlin some months ago.

Owing to the fact that the demand for the day current now is so light we are unable to run the plant every day, so after this week we will run all day only on Wednesdays and Saturdays.

Good roads agitation has held sway in some parts of Jones county this week. At Stamford a mass meeting was held to take steps toward getting up a petition to the county commissioners court to call an election for a bond issue of about \$200,000 in precinct No. 2. One motive besides making better roads, was to furnish work for the farmers of the county during the winter and spring to tide them over the hard crisis that is now upon them. At that meeting committees were appointed to visit Hamlin and Anson on Wednesday. The meeting here was fairly well attended but there seemed to be an air of stiff opposition, not to good roads for this county but as to the advisability of burdening the county or this precinct with more bonds and taxation at this time, even though the road building might furnish some work to those farmers who would get time from their fields to put on the road. The Hamlin meeting dissolved informally without any action whatever.

TWENTY-FIVE YEARS AGO (October 1, 1943)

Hamlin people have been privileged this week to see one of America's greatest pictures at the Ferguson Theatre.

"This Is The Army" had its premier opening here Monday night with a capacity house, tickets bringing from \$1.10, \$2.20 and \$5.50 including the tax. This noted screen production was sponsored in Hamlin by the Lions Club with members selling tickets in advance.

The receipts amounted to \$1,002.00 and after the War Tax was taken out there was a neat sum of \$911.00 for the Army.

Hamlin played host to Lueders last Friday night and dropped the game by one point. Hamlin received the opening kickoff and marched up the field to score without losing possession of the ball. The score was the result of a pass from Barnett on the 35 yard line to Rowland on the 20, who raced across the goal line. Final score was Hamlin 13, Lueders 14.

The Senior class of Hamlin High school met last week for the purpose of electing the class officers and sponsors.

The officers are: W. T. Johnson, president; John Lee Barnett, vice president; Maudean Maberry, Sec'y-Treas.; Frances Nell Gard-

ner, reporter; Glen Adair, sergeant-at-arms.

Miss Stell was elected class sponsor and Mr. Fikes as co-sponsor.

Work! Work! Work! That's our theme song. We realize how unusual that is, especially for a gang of Juniors. But nevertheless, the Junior class of Hamlin High has decided to do something about the labor shortage. You need some help, we need some money. Next Wednesday and Thursday afternoons the members of the Junior class will be at your service. We'll do what you don't want to do from 5 P. M. until 8 P. M. We will wash dishes, scrub floors, mind the baby, wash the car, rake the yard. Anything you want done. If you would like to make an appointment or have some particular boy or girl help you, call the following numbers: 282, 351J or 242.

This is your chance to get some work done. We are eager to help you. So call on us!

TEN YEARS AGO (October 2, 1958)

Lots of people in the Hamlin community and elsewhere over the country are having plenty of trouble with rats and mice nowadays. A Hamlin woman who asks that we do not use her name has prepared the following yarn that deserves a feature heading. Has anyone lost their pet rats? If so, I am sure they are at our house. They are pets. . . they must be someone's pets.

After catching sight of a half grown one, my husband bought some poison rat food. He sprinkled some under the kitchen table and Mr. Rat was chewing contentedly while we were walking all around. Husband left the box of rat food on top of the buffet in the dining room. The next morning it was on the floor in the corner, and the rats had tried in vain to open it. When they failed to open it, they went in my daughter's bedroom. She had left her purse on the floor by the head of the bed. Next morning the print of little feet were on the purse. No doubt they were trying to get her billfold so they could buy some food for themselves.

This morning when the door was opened, a rat ran out where my husband was standing and backed up to a hole that opened under the house. He stood on his hind legs, waved both front paws in farewell and disappeared under the house.

I don't dare put my name and address here. A rat looking for something to chew on might find the Herald and tell all his friends and relatives where they could find some food for free.

Final plans were made last Wednesday in the home of Mrs. Robert Fowler for the Hamlin High School ex-student homecoming this week-end at Hamlin.

A pep rally, as already announced will be conducted downtown at 3:00 o'clock Friday afternoon. The football game Friday night at 8:00 o'clock will be a feature of the homecoming. A Homecoming Queen will be crowned between halves.

Neinda Philosopher Comes Up With New Idea To Double the Economy of This Country

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with an idea that's bound to have a flaw in it somewhere.

Dear editor: According to an article I read during the half at a football game on television the other night, this country's government is in danger of an economic collapse so long as the economy keeps expanding, that while it's true the government is called on to spend more and more, it can do it so long as people keep buying more and more and business keeps producing more and more.

I was explaining this to a friend in town and he said sure, he believed it, he'd like to do his part and keep buying more, but he'd just figured up all his time-payments and each month when he made his house payment, his

car payment, his television payment, and his lawn mower payment, he had just enough left to buy groceries and gasoline.

"I'd buy a boat, I need one," he said, "but I can't squeeze in the monthly payments."

This got me to thinking and I believe I have hit on an idea to double this country's economy.

It's simple. We've got too many months. They come around too often.

The thing to do is to make every month 60 days long instead of 30, making a year 6 months long instead of 12, but keep paying everybody by the week.

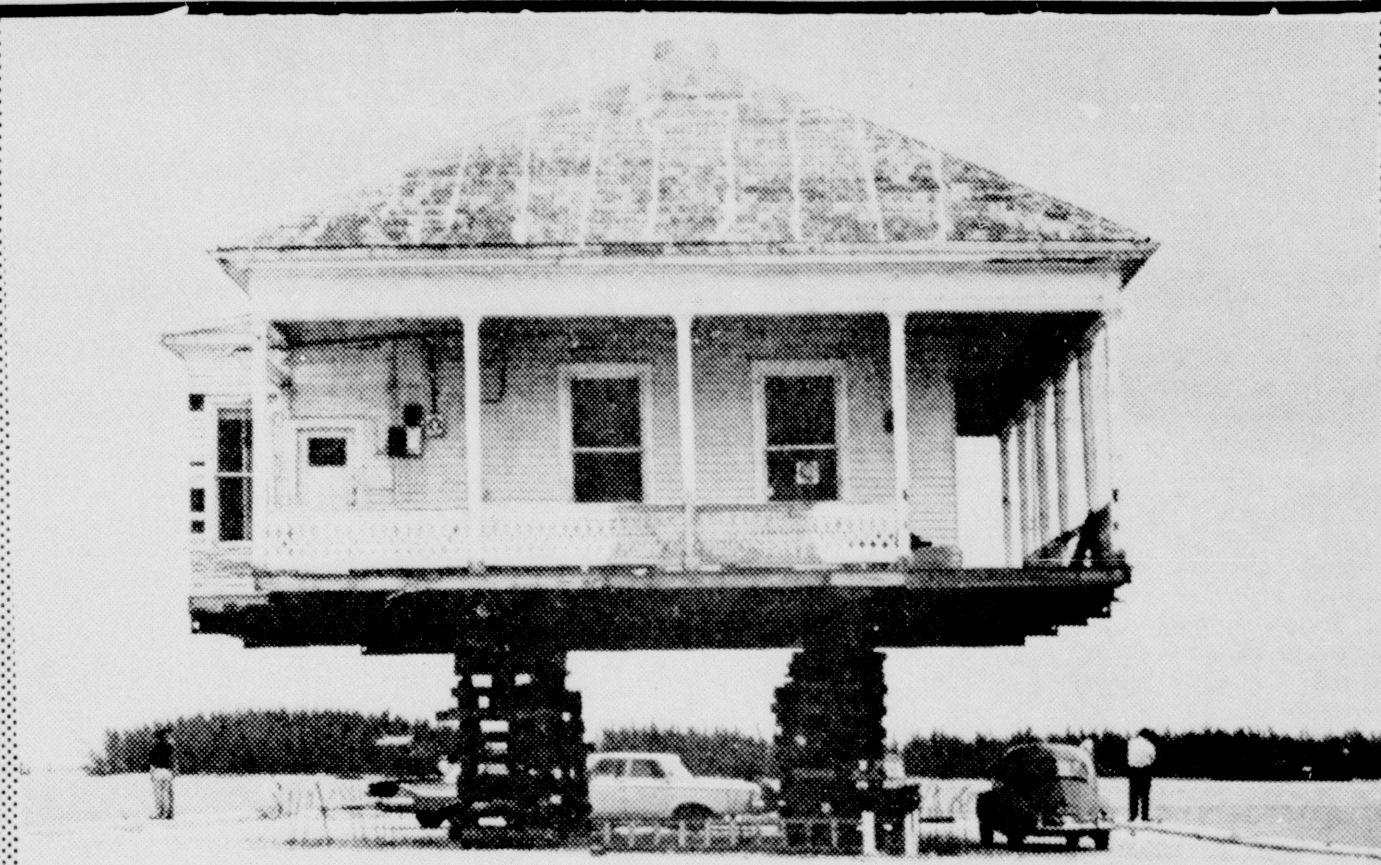

A man could double the number of things he's capable of buying on monthly installments. It would open the floodgates and produce a wave of business the likes of which has never been seen before.

I know this would confuse some people, there'd be arguments over which months to abolish, birthdays in the dropped months would be hard to keep track of, but all that'd be overcome by thoughts of getting that speed boat, that second television set, both in color, a second car, or a third one if you've already got two, and all the other things we'd like to buy to keep this country moving forward.

I was just looking over my books and with a note coming due on the first, personally I'd like to drop October as a start.

Yours faithfully, J.A.

A LOW DRAFT CALL The Defense Department issued a November draft call of only 10,000 men for the Army. This is the lowest request made of the Selective Service System since March, 1965.

HOUSEMOVING

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

This house was moved to make way for a new super freeway. A city in progress creates many changes. The owners, no doubt, hated to change their location, and dreaded pulling up life-long roots. St. Paul would help in situations like these when he said, "For I have learned, in whatsoever state I am, therewith to be content." Phillippians 4:11. The Lord will help us in new situations and new surroundings. He has promised to be with us in all things.

After getting settled, it is good to find a church home with people of like faith. No new neighborhood seems lonely if you can be with people who have the love of God in their hearts.

"Not forsaking the assembling of ourselves together," (Hebrews 10:25a) is a wise saying. We invite you to attend the church in your community this week.

Mr. and Mrs. Charles Edwin Helms are parents of a boy, Jesse Derek, born Sept. 27 at 7:27 a.m. He weighed 8 lbs. 1 oz.

**AUSTIN.** — Presidential Campaign 1968 is starting to roll full speed in Texas.

Democrat Hubert Humphrey's official state organization — a political patchwork of two committees representing varying factions — was formed just six weeks before the November 5 election.

Former State Democratic Chairman Will Davis of Austin and Congressman Jim Wright of Fort Worth head Texas Democrats for Humphrey-Muski. Cecil Burney of Corpus Christi is executive director and National Democratic Committeeman Robert Strauss of Dallas is finance chairman.

At its initial meeting in Fort Worth, the group — made up predominantly of Gov. John Connally's and President Johnson's friends — declared the election is yet to be won, and Humphrey has a chance of carrying the state.

U. S. Sen. Ralph Yarborough leader of Texas liberals, heads a separate Texas Citizens for Humphrey-Muski, and has formed a 137-member executive committee which met here Monday. Yarborough will work with traditional Democrats, ethnic minorities, independents, Republicans and "former supporters of Sen. Eugene McCarthy, Sen. George McGovern, Gov. Nelson Rockefeller and of the late Sen. Robert F. Kennedy."

Republican candidate Richard Nixon and American Party candidate George Wallace have had the benefits of spadework on behalf of their election efforts.

A recent Texas poll calculated Nixon and Humphrey are running close together (with about a third of the state's votes each) and Wallace is third with a fourth of the votes. Nixon was seen as having "the best potential for carrying the state." Most observers regarded that as an understatement as of now, although Humphrey's campaign could change the picture dramatically during the next five weeks.

Opinions vary widely as to Wallace's effect on the outcome of the hard-fought contest. Democrats claim presence of the former Alabama governor on the ballot is hurting Nixon most. Wallace campaign leaders say they are cutting more deeply into traditional Democratic votes that normally would go to Humphrey. Nixon's Texas campaign director, John Hurd of Laredo, sizes up the Wallace candidacy as having "equal impact" on Nixon and Humphrey.

Both the GOP and organized labor (backing Humphrey) are mounting special campaigns aimed at winning back from Wallace votes for Nixon and Humphrey. Success of these efforts might spell the difference on November 5.

**UNIVERSITY OF THE NORTH** — Staff of the higher education Coordinating Board has recommended "a multi-campus urban university" for the Dallas-Fort Worth-Denton area to include — at first — North Texas State University, Texas Woman's University and the University of Texas at Arlington.

These schools would be put under a new board of regents for the area and would be joined in a system later by other state-supported colleges and schools to form a university system designed specifically for the area.

Board itself will hold a hearing on the proposal October 11, along with UT's own plan for uniting some of its institutions in the area.

**HOMESTEAD CHANGE URGED** — Constitutional Revision Commission has suggested tightening the homestead debt exemptions following a member's charge that the present basis state law provides a "haven for swindlers."

In its semi-final meeting, the panel agreed to a ceiling on a homestead exemption from foreclosure for debt should be limited to \$25,000. Present constitution provides exemption for rural homesteads of up to 200 acres and urban homesteads (of any value) on lots of up to \$5,000 maximum valuation.

**PARK BONDS SOLD** — First \$5.75 million of a \$75

million parks improvement bond issue has been sold at favorable interest rate.

Lehman Brothers and Associates of New York headed an investment syndicate which submitted 3.5846 per cent net interest rate bid, lowest of 16. American National Bank of Austin was selected paying agent for the bonds.

Initial developments are expected to be a 120-mile range of the state's 10 largest population centers. A \$1 per car entrance fee at 30 existing parks and 50 cent per car charge at six others will pay off the bonds.

**JUNIOR COLLEGE PLANS** — Texas' 40 public junior colleges have been given a new and expanded role in the state's

educational processes, and now they're going back to the state for help in paying for it.

Long-range master plan of the Coordinating Board, Texas College and University System, says junior colleges should concentrate on (1) preparing some students for transfer to senior colleges and universities for their last two years, (2) setting up badly needed technical and vocational programs and (3) continuing education and cultural and public service programs.

Now, junior colleges get state aid in two forms — a line-item appropriation for each school for direct academic instructional costs (\$26,530, 325 this year) plus another \$6,476,000 distributed by the Texas Education Agency for technical - vocational programs.

For the two-year period beginning Sept. 1, 1969, the strong increase in the first junior colleges are asking a figure — \$35,490,803 in 1970

and \$37,577,190 for 1971 — and a change, along with an increase, in the second.

They want their vocational-technical money allocated via a line item — the same as the academic figure is computed — and increased to \$15,025,375 for fiscal 1970 and \$18,292,142 for 1971.

**ANTI-POLLUTION - EXEMPTION CAMPAIGN** — Houston Rep. Rex Braun plans a one-man campaign against proposed Constitutional Amendment No. 6, to be voted on November 5, to exempt from all property taxes pollution control equipment installed by industry.

Braun says the state shouldn't subsidize the pollution-law breakers and, besides, other states have found that the exemption only costs money and does not encourage the installation of anti-pollution equipment.

He estimates the amendment would cost Texas \$500 million over a five-year period. **SHORT SNORTS** — Now

available is a revised Spanish-language edition of the Texas Drivers Handbook — including a glossary for quick translation.

Water Quality Board has entered into an agreement with the Trinity River Authority to help control pollution in the new Livingston reservoir.

A State Board of Insurance study shows that cars in Texas carrying the legal minimum limits of liability insurance has constantly increased, from 18.2 per cent in 1945 to 74.5 per cent in 1967.

## Mark this date on your calendar!

**ALL NUMBER** Calling comes to Hamlin on November 3, when this city joins many others in Southwestern Bell in conforming with the new nationwide numbering plan.

On that date, all Hamlin telephone numbers will be changed from two letters and five numerals to seven numerals.

### "SP 4" To Become "576"

The prefix, "SP 4," will be changed to "576." In many cases, the last four digits of each telephone number will remain the same.

However, it will be necessary to change numbers between SP 4-1000 and SP 4-1999 to the corresponding number in the 576-3000 series.

For example, SP 4-1691 will become 576-3691.

These number changes are necessary, for technical reasons, to pave the way for future telephone improvements for Hamlin.

A new telephone directory containing the new seven-numeral

numbers will be mailed to customers before the change.

You'll want to remember to give your new seven-numeral number to persons who may be calling you Long Distance. Customers who use printed material bearing their telephone numbers will want to be sure to use their new numbers in ordering material to be used after the change.

### Easy to Use, Fewer Errors

Seven-numeral numbering is common in many other parts of the nation. Experience in other cities where All Numeral Calling has been introduced has indicated that such numbers are easy to use, and that fewer mistakes are made in dialing them.

**WE** believe that you will find this new up-to-date numbering system simple and more trouble-free to use. It will pave the way for future improvements. And Hamlin, as in the past, will continue to be in the forefront of telephone progress.
